

# Discover Downunder®

Don't just DREAM it...SEE it!<sup>TM</sup>

**Discover Downunder in Partnership with Qantas Airways  
presents**

**One in a 1000 or a 1000 at Once**

***Birding Australia Style***

***13 Days***

***From US\$3125 land only***

**Birds...** There are over 700 species of birds living in Australia.

**Birders –** There are 51.3 birders in the United States.

**Birding –** A great reason for birders to visit Australia because...

You'll camp in Gunlom, Northern Territory for a chance to see the white-throated grasswren (not seen anywhere else in the world). You'll stay in Lamington National Park, a World Heritage listed rainforest and home to over 232 rainforest and Eucalypt forest species. You'll visit the Blue Mountains. How many new species will you see; how many new songs will you hear? Whether it's one in a thousand or a thousand at once, the birds of Australia are waiting for you. Valid 1 January 2009 to 31 March 2010.

**All through the lens of your binoculars,  
captured by the  
lens of your camera.**

Includes:

- 3 nights accommodation Sydney, Blue Mountains Tour and One Day Combo Pass
- 3 nights accommodation Lamington National Park
- 2 nights accommodation Darwin
- 5 days/4 nights Kakadu Safari
- Rental car Brisbane/Brisbane
